

Cross-Project getAllSlugs Sitemap Audit Evidence

Card: Audit pattern getAllSlugs() di project Next.js lain

Status: Done - no repeated risky sitemap pattern found

Generated: 2026-05-25T13:58:57

Evidence summary

- Audited Muraah, Ranyeker Store, Kuliner Tiap Saat, Jalan-Jalan Tiap Hari, Ngakak Boz, Akunn, and Mcsyauqi project folders.
- Only Kuliner had getAllSlugs() hits, and those were in generateStaticParams for blog detail pages, not sitemap generation.
- Muraah, Ranyeker, and Akunn use static sitemap.xml files in scanned paths.
- Kuliner, Jalan-Jalan, and Ngakak Boz sitemap.ts files do not use getAllSlugs(); date parsing/filtering patterns were present where relevant.
- No code changes required in the audited projects.

Checks

Project	Finding
Muraah	Static html/sitemap.xml, no getAllSlugs sitemap pattern
Ranyeker Store	Static site/sitemap.xml, no getAllSlugs sitemap pattern
Kuliner Tiap Saat	getAllSlugs only in blog generateStaticParams, sitemap.ts uses other imports
Jalan-Jalan Tiap Hari	sitemap.ts present, no getAllSlugs
Ngakak Boz	sitemap.ts present, no getAllSlugs
Akunn	Static html/sitemap.xml, no getAllSlugs
Mcsyauqi	No sitemap found in scanned paths
